About Karoline:

As a child, I have loved baking sweet treats for friends and family. I continued this passion growing up and eventually had many individuals inquiring about my treats! What started as a fun side hobby, has since turned into a personal business and ever since 2014, Sweet Karoline Cakes has been in business. I personally strive to make sure every cake, cookie, or treat that is made is custom fitted to suit your special occasion needs. I will always personally make all orders and am happy to make cakes and other desserts for all occasions. I can even make gluten/dairy free treats! As always, remember: Life is what you bake of it!

What we offer:

Sweet Karolines Cakes is committed to providing excellent treats for any occasion. I offer everything from Cakes, Cupcakes, Cookies, and more! I am always happy to complete custom orders and am always happy to create other treats. If you have any custom treats you would like to be created, contact me by using the [Contact](#) page above.
