### YUM! Brands

Spring 2019

KFC L1 Help Desk Analyst

- Provided technical support and basic troubleshooting for KFC restaurants based in the U.S.

### Norton Healthcare/Brooksource Technical Youth

Summer 2018

Hardware Support Technician

- Contributed to completion of the second phase of the Thin Client Replacement Project. My duties included swapping out outdated thin clients with newer ones, communicating and cooperating with other employees from different departments, and using basic problem-solving skills to get by whenever things went wrong and the problem needed to be solved.

### Belle of Louisville/Spirit of Jefferson

Summer 2016-Present

Food and Beverage Department Assistant

- Work as a cashier in photos, souvenirs, and concessions; serve drinks from behind the bar.

### University of Louisville

School of Music Peer Mentor

Fall 2018

- Help incoming freshman make a smooth transition into college. I lead seminars that focus on how to be a successful student, and I act as a resource for them if any questions/concerns arise.

### Louisville Youth Orchestra

Fall 2014-Spring 2015, Fall 2015-Spring 2016

Assistant Music Librarian

- Set up the seating arrangements for each ensemble, ensured that all the members of each ensemble signed in, organized all the music that was being rehearsed at the time.
